Reflection

Do you feel "on track"?
- Project is on track to be completed.

What progress do you particularly feel good (great) about?
- Created the major items I desired to have in the application, even if they are very surface level.

What barriers (if any) do you feel is/are a current impediment to success?

- No barriers currently

What help (if any) do you require to move positively forward?
- No help needed.

What questions or concerns do you have (if any)?
- No concerns
